

Namaskara,

It is my honor to serve as the President of Kaveri Kannada Association of the Washington DC metro area. I am thankful to the trust you have provided me to lead this organization. Kaveri is admired by the Kannada community around the DC metro area and the Nation for its valuable contribution and charitable services. I believe that this is only possible because of your support, commitment, and passion for our community. It was a great pleasure to meet and work with many of you over the years, and I look forward to meeting all kannada families this year. I can't think of a better place to serve than Kaveri because of my strong desire for community service.

Kaveri is one of the oldest organizations established in 1972 with few Kannada loving families. Our predecessors have built this organization with such passion and dedication that it is our responsibility to build on the activities established by them to strengthen our commitment to promote literary, educational and cultural activities and facilitate charitable activities. This glorious journey of Kaveri will be a great stride for celebrating our Golden Jubilee in a grand way this year. Our Kaveri Steering Committee in guidance with the Advisory Committee are making full preparations for the Golden Jubilee celebrations.

This year we have a strong committee with experienced and committed members ready to serve the community. We are planning several exciting community-oriented in-person/online activities for 2022. In-person programs will be held with full safety, precaution and following the county and CDC guidelines. Online programs will be held by Zoom meetings. We request everyone's support, encouragement, and participation in all the events to make the Golden Jubilee a huge success.

Let's kick off 2022 the right way: by being grateful, safe, and supporting the people around us. We hope to keep members better informed and make aware of all community activities. I have utmost respect and affection for this association and am truly honored to be a part of the KEC 2022. We are eager to work with all of you to serve our community.

Sincerely,  
Satish Belagutti  
President  
On behalf of KEC 2022
